PROTESTED February 22, 1929, BY--J. L. WHIPPLE, SUNNYSIDE, NEVADA.

DENIAL OF STATE ENGINEER

~~This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:~~

This application is hereby denied on the grounds that the owner of record and its agent have not submitted the information requested by the State Engineer's Office and that without this information the granting of the application would threaten to prove detrimental to the public interest. No ruling is made on the merits of the protest claim. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use must be filed with State Engineer on or before
